August Bank Holiday weekend 2010!

Following a hugely successful bank holiday weekend the Parish Council have already received numerous requests for use of the marquee next year. We cannot yet guarantee availability of the Thursday to Saturday day or evening sessions.

If your local community club / organisation or charity wish to hold and organise an event please complete the application form below and return to the Parish Councils offices before 31st October 09. The Parish Council can only consider a request with the form below returned and will review all the applications received and contact everyone as soon as possible.

Thanks so much to everyone involved to make August Bank Holiday 09 such a great weekend—a lot of money has been raised for local clubs and charities and the community had fun in the process.

Swine Flu update

As this newsletter is written the reported cases of swine flu seem to have reduced but this is possibly temporary.

The contingency plan may need to be started again in the Autumn.

Please follow the procedures on your sheet passed to you by your street friend.

Parish Council office

The Parish Council office now has a ramp for accessing the office, making it easier for disabled residents or parents with pushchairs.

We are currently getting quotes for a new bench to be located outside the offices which will be bought using the £500.00 award money from the Village of the Year competition.

PCSO Update

We now have a new PCSO working alongside PCSO Jacky Madden.
PCSO Michelle

Signs have now been put up around the village and fines will be given out to residents not picking up after their dogs... Please be aware and pick up.

Chinnor Allotments

We are currently investigating the possibility of a new piece of land for use as allotments for the Parish of Chinnor residents.

The current allotments are well used and the Allotment Society have a waiting list for allotment spaces.

If you have any ideas for land the parish could use please can you contact Liz Folley or Jo Wills at the Parish Council offices and the ideas will be put to the Environment committee at the next committee meeting.
